

COURSE INFORMATION FOR LEVEL 1 ACHIEVEMENT STANDARDS YEAR 2009

SUBJECT: MATHEMATICS COURSE 101

No	Title	Assessment	Credits	Re-assessment	Assessment date
90147	Use straightforward algebraic methods and solve equations.	External	4	As per school policy	November
90148	Sketch and interpret graphs.	External	3	As per school policy	November
90149	Solve problems involving measurement of everyday objects.	Internal	3	As per school policy	June School exams
90150	Use geometric techniques to produce a pattern or object.	Internal	2	As per school policy	Year 10
90193	Use statistical methods and information.	Internal	3	As per school policy	Term 1.
90194	Determine probabilities.	External	2	As per school policy	November
90151	Solve straightforward number problems in context.	External	3	As per school policy	November
90152	Solve right angled triangle problems.	External	2	As per school policy	November
90153	Use geometric reasoning to solve problems.	External	2	As per school policy	November
