

COURSE INFORMATION FOR LEVEL 3 ACHIEVEMENT STANDARDS YEAR 2009

SUBJECT: CALCULUS

A/S Number	Title	Assessment Form	No of Credits	Authenticity	Re-assessment	Moderation (assessment)	Moderation (task)	Assessment date
90635	Differentiate & use derivatives to solve problems.	External	6	Exam	As per school policy			November
90636	Integrate functions & solve problems by integration, differential equations or numerical methods..	External	6	Exam	As per school policy			November
90637	Solve problems & equations involving trigonometric functions.	Internal	4	School exam	As per school policy	From the net	Dept group	June School exams
90638	Manipulate real & complex numbers, & solve equations.	External	5	Exam	As per school policy			November
90639	Sketch graphs & find equations of conic sections.	External	3	Exam	As per school policy			November
