

COURSE INFORMATION FOR LEVEL 3 ACHIEVEMENT STANDARDS

This is to be completed for School documentation purposes

SUBJECT: Statistics and Modelling 2009

No	Title	Assessment	Credits	Authenticity	Re-assessment	Moderation (assessment)	Moderation (task)	Assessment date
90643	Solve straightforward problems involving probability	External	4	Exam	No			Nov exam
90641	Determine the trend line for time series data	Internal	3	School exam	No	From the Net	Stats teachers	September School Exams
90645	Complete a statistical investigation involving bi-variate data	Internal	3	School exam	No	From the Net	Stats teachers	June School Exams
90644	Solve Equations	External	4	Exam	No			Nov exam
90646	Use probability distribution models to solve straightforward problems	External	4	Exam	No			Nov exam
90647	Use a mathematical model involving curve fitting to solve a problem	Internal	3	In class test. Secure saving of personal work	No	From the Net	Stats teachers	Mid March secure class test on computers
90642	Calculate confidence intervals for population parameters	External	3	Exam	No			Nov exam
