

Napier Boys' High School

TERM 1 — MARCH 2016

NEWSLETTER

From The Headmaster's Office

With the early Easter break nearly upon us, we can reflect on a busy and successful first seven weeks of the year. It has been fantastic for me to see many of our boys throwing themselves into a wide range of activities both in and out of the classroom.

Some of the highlights have been, the successful House swimming (won, just, by Scinde) and athletics (also won by Scinde). These days showed school spirit to the fore and I was impressed by how engaged all the boys were whether participating or spectating. The cricket XI has gone from strength to strength and we are proud that they have won their Hawkes Bay qualifiers in the Gillette Cup and will go to Palmerston North at Easter to vie for a place in the final six at Lincoln in December. Volleyball also won through their regional qualifying tournament with a nail-biting win over Gisborne BHS. Our athletes performed well at the regional secondary schools' competition last week with **Toby Archer in Year 10 breaking a very old 200m record in the Junior Boys' at the school event.** There have been some impressive individual results from the surf lifesavers locally and they now head to the national stage where we wish them well. A number of debating teams competed well at the Russell McVeagh tournament in

Hastings recently, while our actors have completed auditions for the annual musical, Grease, and the talent on display augurs well for an outstanding **show later in the year. In service, the Year 13's led a great group of over forty** boys in the annual Relay for Life and raised a significant amount for cancer support. Finally, it was pleasing to recognise a number of boys for the completion of their Silver and Bronze Duke of Edinburgh awards at an assembly where the Mayor was our guest presenter.

The first of the school reports for 2016 will be at homes within the next five days. These are interim reports and for the most part will lack any form of assessment. On the other hand they should also be a point of discussion and clarification.

The fine weather has enabled the school camps to proceed and for the boys to enjoy the outdoors. We are spoilt in the Hawkes Bay for these types of recreational activities and we strongly believe that the skills and attributes learnt on these camps are an important rung in the development of confident, resilient young men. I would also remind parents that payment for these camps can be staged until November. The Board of Trustees is mindful of the financial demands that education requires of parents and are keen to acknowledge that the school donation is as it says, but these funds allow us to provide a vast range of educational experiences and facilities that are not fully supported by the Ministry of Education grant.

Headmaster
Matt Bertram

I have completed most of the Year 9 "Ladder to Manhood" sessions and it has been a pleasure to spend an hour with each class, meet them in person, shake their hands and help them understand the special place that is Napier Boys' and the journey they will go on over the next four or five years as we look to help you as parents grow these boys into good young men.

I wish you and your families the best for the Easter break.

Matt Bertram - Headmaster

Bus Bay – No Parking

Parents are reminded that there is no parking in the bus bay from 2.30 – 3.30 pm. This is clearly signposted. We have 6 buses that arrive to pick up several hundred students. When there are cars in the bus bay, two buses (or more!) have to stop out on the street, which mean boys have to walk on the road to get to their bus. The buses need the space right from the end of the grass at the start of the bay all the way to the end. Parking in the bus bay creates an unsafe situation. **Please do not stop in the bus bay, even if you are "just" picking up.**

Additionally, parents are strongly cautioned from using the bus bay to make a u-turn. With the congestion on Chambers Street at 3.10 – 3.30, combined with the two-way traffic, it is simply a dangerous situation for all boys leaving school. When the buses have to park outside the bay **because of a parked car, it is a disaster waiting to happen. Let's keep all our boys safe.**

Academic Excellence

Year 9

We are proud to announce our Year 9 Academic Scholarship winners for 2016. These students sat their scholarship exams in English, Science and Mathematics and came out as the top students across the three exams.

They are:

Fergus Cardwell-Dray (ex: Hereworth School) , Charlie Williams (ex: Hereworth School), Alex Clift (ex: Tamatea Intermediate) and Thomas Henderson (ex Pukehamoamo School)

Upcoming Events

Year 11 NCEA Evening

For all Year 11 Parents and also Accelerate Classes 10LO and 10SH

Tuesday 22nd March

Geography Fieldtrip

Level 1 students completing research at Tangoio River

Term 1 is a busy time of the year for Geography fieldtrips. It is important that students get to experience education outside of the classroom. This term the Level 1 students completed river research at Tangoio River in the aim to understand river characteristics and the processes that alter these characteristics. The Level 2 Geography students researched the variations in the landscape from our Hawkes Bay coastline to the Kaweka's. The Level 3 students had a day out visiting the local beaches completing research on 'what are the variations between our local beaches and what natural processes cause these variations'. The students were a delight to take outside of the classroom!

Relay For Life 2016

Napier Boys' entered a 30 strong team in this year's Relay for Life to raise funds for the Hawkes Bay Cancer Society. A 12 hour relay event that encourages team work and participation. This year we had a fundraising goal of \$2000 and so far we are ahead of this target with donations still gratefully accepted.

Online donations can be made here:

<http://www.relayforlife.org.nz/index/donation>

Team chaperones were especially impressed by the leadership in the team and how all team members worked together. The boys did a total of 496 laps around the sports park (which is approximately 227km) over the 12 hours. Energy remained high until the end, a great example of our boys' community spirit.

La Boheme Opera Trip

Twenty five music students had an opportunity to see the opera La Boheme at the Municipal theatre on 18th of February. This performance was attended by a number of local schools and the general public. It was an opportunity to see an impressive performance by world class musicians and to learn about lighting and set design. This was a great collaboration between New Zealand and overseas performers and it resulted in a very enjoyable afternoon.

Russell McVeagh Debating

Both our Year 12 and 13 debating teams competed in the annual Russell McVeagh HB Regional Debating Competition. This competition, sponsored by the Russell McVeagh law firm and managed by the Victoria University debating team, is becoming increasingly popular with 22 teams from HB competing over the course of two days. The teams are given a moot, then 30 minutes to develop an argument. Both teams showed the ability to speak confidently, think on their feet, and an impressive knowledge of current or local affairs.

The Year 13 team made it through to the semi-finals but were only marginally beaten by Karamu. Our Year 12 team had some really defining moments, resulting in Liam Silverwood being chosen (out of a possible 65 students) to join the Hawke's Bay Regional Debating Team.

Jan Appleby – Debating Coordinator

Piano in the Vines

Year 12 and 13 students were treated with a great performance by some of the top New Zealand classical music talent on 25th of February at the Black Barn vineyard. It was a scorching day in the sun, but it didn't prevent these men from enjoying some amazing performances of works by Gershwin, Beethoven, Mozart and others. Some good ideas were also developed for the upcoming assessments.

NBHS Young Farmers off to the National Final!

William MacDonald and Jamie Arnold have qualified to represent NBHS at the **National Secondary Schools' Grand Final of the New Zealand Young Farmers** competition, Timaru, 7-9th July.

The Regional final was hosted in Dannevirke, where 30 teams from the East Coast region (East Cape to Wairarapa) were represented. NBHS sent 5 teams of two, which consisted of William MacDonald, Jamie Arnold, Sam Lourie, Alex Stuart, Angus Parkes, Tom Lourie, Finn Beamish, Jack Olsen, Jordan Lawson Whatuira and Memphis Langman.

The morning segment consisted of 8 modules with tasks such as fuel testing, nutrition, wool assessment and agronomy. The Dairy farming team of Lourie and Alex Stuart were the top wool assessors, which gives them options for when they leave school!

William MacDonald and Jamie Arnold, along with Sam Lourie and Alex Stuart topped the qualifying section and went on to the main final, where they were matched against teams from Rathkeale, Iona and Dannevirke. The top two from this went on to qualify for the national final. After a 20 minute section consisting of building, putting up a structure and fencing it off, Will and Jamie finished second and qualify for Timaru. Sam and Alex finished third, which means they will also travel to Timaru if Rathkeale (the winners) choose not to go.

We couldn't have done this without the support of many parents and the boys in the club that work towards raising the funds that can allow us to compete and participate in these events.

Whats Due

Listed below are the Internal Assessments that are due for NCEA during the next four weeks. Please take the time to sit down with your son and look at what assessments he has and when they are due. This will allow staff and parents to work together to make sure the students complete these assessments on time and to the best of their ability.

School Athletics Sports

The school Athletics Sports were held on Thursday 3rd March. There was intense competition across all of the grades but the overall athletics champions for each grade were:

Junior Boys: 1st Toby Archer, 2nd Philip Dolbel, 3rd equal: Aaron Giles and Oliver Marshall

Intermediate Boys: 1st Joseph Twigg, 2nd = : Lachlan Gilbertson, Hamish Rybinski and Regan Longhurst

Senior Boys: 1st Bradley Christison, 2nd David Rawnsley, 3rd = William Tremain and Tim Farrell

There was only one school record broken at the meet. This was the Junior boys' 200 metre record from 1979 that was held by James Lloyd of 24.2. Toby Archer broke this record running 23.93. This was a fantastic feat as James Lloyd was a NZ champion over the sprint distances. The record rounded out a great day for Toby who ran the fastest 200 and 400 on the day beating all of the intermediate and senior boys' times.

They will be hosted by Auckland Grammar students who will swim against them early Sunday morning 10 April. All competitors will cross by ferry to Rangitoto Island and swim back towards Auckland.

Mr Beaumont will also be swimming, keeping an eye on NBHS from behind.

Gillette Cup Cricket

1st Qualifying game:

NBHS vs Lindisfarne College played at Lindisfarne on the 27th of February 2016

Lindisfarne won the toss and elected to bowl.

We started off in early trouble, losing 2 quick wickets for 8 runs. 9 overs later, another wicket fell and we were 41/3. Adam Winter and Flynn Allen steadied the ship to see us through to 27 overs. The bottom order hung around and we ended up posting 148/7 after the 50 overs. Flynn Allen scored 55 and Mitchell Williams-North 25*.

We came out of the sheds knowing we didn't post as much as we could have. Opening bowlers, Mako Thompson and Todd Watson came out firing with a pumped up Napier Boys' field. Todd struck early in the 4th over, caught by the safe hands of Ben Taylor in the slip cordon. Mako got another the next over with a caught and bowled and all of a sudden Napier Boys' was on top. Lindisfarne lost wicket after wicket, with their top run scorer getting 20 batting at number 9. Despite a Lindisfarne bottom order renaissance, they were bowled all out for 107 after 31.4 overs and Napier Boys' won by 41 runs. Mako

Thompson getting 4-34 off 10, Todd Watson 3-27 off 7.4 and Robbie Brigham 3-31 off 10.

2nd Qualifying game:

NBHS vs Hastings Boys' High School played at HBHS on the 8th of March 2016

NBHS won the toss and elected to bowl.

We got our first wicket in the 10th over when Todd Watson broke the opening partnership. 4 overs later, Robbie Brigham got the crucial wicket of skipper Bayley Wiggins with an inswinging ball collecting his off stump. Hastings slowly ticked away through the mid stages of their innings. Towards the end of their innings they started to up the run rate. They eventually got bowled all out, failing to complete the 50 overs. They ended up on 151, Daniel Sharplin the pick of the bowlers with 4 wickets for 19

runs after 6.2 overs. Todd Watson also took 3 wickets for 19 runs after 8 overs.

We came out to bat hoping for a good start but all hope was extinguished when both openers were dismissed with 7 overs. Number 3 and 4 didn't hang around as Napier Boys' were in serious trouble being 4-25. Out came Daniel Sharplin and Adam Winter putting on a brilliant partnership of 82 runs and bringing us back into the game. Winter fell after a good knock and in came Ben Taylor. Another

crucial partnership between Taylor and Sharplin put Napier Boys in the drivers seat. Unfortunately Sharplin fell just before the winning runs and his half century. In came Nick Hutton and he batted through with Ben Taylor until Napier Boys' hit the winning runs after 43.3 overs and winning by 4 wickets. Outstanding performance from Daniel Sharplin who got 46 runs on top of his 4 wicket haul. Ben Taylor also had a disciplined innings and he got 26* for his efforts. Adam Winter also had an important batting performance as he racked up 20 runs.

Rowing - Mighty River Power Regatta

During the weekend of 5th and 6th March our novice rowing crews competed in the secondary schools' regatta at Lake Karapiro as a preliminary to the North Island Championships. Results were positive showing an overall improvement in skills and speed, but the competition was strong and no placings were won in the A Finals.

Boys Under 15 Double Sculls (Joe Lawson, Jack Spencer) - A Final 5th place

Boys Under 18 Novice Coxed Four (CJ Buscke, Will Thomas, Max Paku, Tawhiwhi Watson, Tom Robertshaw) - B Final 1st Place

Boys Under 18 Novice Double Sculls (CJ Buscke, Will Thomas) - B Final 2nd Place

A Finalists – Coxed Quadruple Sculls

Tennis

Napier Boys' hosted the Tennis Super 8 for the third time in a row at Hawkes Bay Lawn Tennis and Squash Club from the 29th Feb to 2nd March.

Napier Boys' won the title two years ago and came runner up to Palmerston North last year. We had set a tough task to repeat these results again this year.

There were three other very strong teams in PNBHS, Hamilton Boys' and Tauranga Boys'. On paper Napier Boys' were the fifth ranked team this year. We started with two comfortable wins against Hastings and Gisborne on day one in pool play. This ensured we made the semis but would be up against some of our traditional tough opponents.

Day two was badly affected by weather. We lost the whole morning to rain and had to use the Napier Boys' High courts and adapt scoring on some matches.

In our final pool match we faced Tauranga who were too strong across the board. All matches were shortened to nine games where the closest defeat was Jacob Verhoeven losing in a tie breaker.

This meant we were to face the top seed and defending champions in the semi Palmerston North. They also proved to be too strong in all positions where Dan Rowe, Andrew Clifford and Harry Averill all lost in straight sets. It was Jacob Verhoeven who put up some strong resistance to only lose in a tight three set match.

We then found ourselves in a play off for third and fourth on the final day against Hamilton. They were very strong with three of their four players having represented Waikato in their respective age groups at the recent national teams event. Our boys competed well with Andrew Clifford and Jacob Verhoeven both losing tough three set matches. Had we won these two tight matches things would have been interesting in the doubles. As it was the doubles was not required with Hamilton coming out on top. This tie also doubles as a qualifying match for the National Secondary School finals later in the year. So with this loss sadly after three years being there **Napier Boys' will not be at Nationals. It was therefore a fourth place finish for Napier Boys at this year's Super 8. Jacob Verhoeven, Dan Rowe, Andrew Clifford, Joel Chadderton and Harry Averill all gained more valuable experience from the tournament. It was a shame for Roman Walewski who would have been in the team but was injured a few days earlier.**

Due to Rotorua Boys' pulling out we were able to field a composite second Napier Boys' team. Hence, Max Clifford, Louis Pratt, Frank Lochore, Jayden Hutchison and Kieran Lansdown compiled our second team. These boys learnt a great deal from the experience with some of these players likely to form part of the top team in the years ahead. They had two good wins against Hastings and Gisborne.

As always it was a pleasure working with the Napier Boys' High Tennis team. I look forward to rebuilding the team for more success in the future.

Simon Winter—Napier Boys' High Coach

Golf

The school golf team has had a productive term. The two highlights were; finishing 2nd in the Super 8 competition in New Plymouth against some very strong competition and winning the Hawkes Bay regional champs to qualify for the nationals. The nationals this year are held on the 29th August in Nelson. The A team consisting of Mako Thompson, Adam Winter, Gabriel Whincop and Han Yan Luo who all currently have a golf handicap of 2 are looking forward to challenge and opportunity to compete in the nationals.

The Super 8 competition is competed for over three rounds. There are four members in a team and each round you count your top three gross scores. After the first round our team was leading with Gabriel shooting a 73, Adam 75 and Han Yan Luo shooting a 76. Unfortunately the team could not hold **onto the lead and was beaten by Palmerston North Boys' High.** Gabriel Whincop was runner up in the individual competition with scores of 73, 76 and 75.

Winning the Hawkes Bay champs was satisfying **with the highlight on the day being Ollie's 75 to win the individual competition.** All of the golf competitions the school has had a A and B team competing. The B team of Guy Harrison, Trent Lee, Sebastian Kettle and Callum van der Berk have performed well and are crucial for the development and future of the game.
