Harry Averill with Hon. Nathan Guy, Minister for Primary Industries and Otaki MP, the Governor-General Rt. Hon. Dame Patsy Reddy, at the unveiling of the centenary monument to the sinking of the SS Otaki in 1917.

YEAR 9 SCHOLARSHIP EXAMS

The exams to decide the Year 9 Academic Scholarship winners will be held on Friday 24th March at 8:30am. The Scholarships are worth \$1000 each which is credited to the students' school account from which they can pay for school trips, uniform, sports or music fees etc.

Students wishing to sit the Year 9 Academic Scholarship exams should collect an application form, available from the Headmasters PA Ms Jayne Myers, complete it and return the form to Ms Myers before Friday 17th March.

From The Headmaster's Office

With the term well underway, we can reflect on a busy and successful first six weeks of the year. As expected, many of our boys are throwing themselves into a wide range of activities both in and out of the classroom, whilst in their tutorials they have been finalising their personal education plans (PEP's) which will incorporate their goals for the year. These plans will come home for your scrutiny during the year and, done well, should provide the basis for more effective monitoring of all students' progress.

Some of the highlights this term have, naturally, been house events such as swimming and athletics where participation has been high. While Scinde has been to the fore, they are

realising that they will have to work hard this year given the introduction of new academic and cultural challenges to the house competition. Athletics saw at least one record as Bradley Christison challenged the old 3000 m to set a new benchmark. Our team performed well at the East Coast North Island champs last week. Softball has been resurgent this summer with two school teams competing; many of our top players represent club sides but the school will have a team at a national tournament in Lower Hutt, while several players have made NZ representative selections. Our Waka Ama crews won two regional titles last weekend which augurs well for nationals at the Blue Lake later in the month, while our Rowing crews have performed well at club and school

From The Headmaster's Office

level this season. Hopes are high for our U17 VIII, particularly, at the Maadi Cup. While the 1st XI Cricket has struggled at times, their fight in the field has been notable and set an example for our Colts team which is progressing well in their goal of reaching the national tournament. Sevens rugby has fielded a first team and U15 side. Results are starting to come with a 2nd and 1st placing respectively at the recent Waipukurau tournament. Canoe polo paddles also competed strongly with the senior and junior sides both 4th at the Hawke's Bay championships last weekend.

The first of the school reports for 2017 will be at homes later this week. They are interim reports and should provide a snapshot of your son's start to the academic year and a chance to intervene early should concerns be obvious from them.

The school camps are underway and could not proceed without the commitment of the staff involved, particularly Mr. Wyatt. No student

need miss out on this experience due to cost – there is a wide range of choice available to make these camps accessible. The Board of Trustees is mindful of the financial demands that education requires of parents and are keen to acknowledge that the school donation is as it says, but these funds allow us to provide a vast range of educational experiences and facilities that are not fully supported by the Ministry of Education grant.

Year 9 has completed their "Ladder to manhood" days and it has been a pleasure to spend time with each class, meet them in person, shake their hands and help them understand the special place that is Napier Boys' and the journey they will go on over the next four or five years as we look to help you as parents grow these boys into good young men. The Boys' breakfast on Thursday 23 March is a great way to continue these conversations.

Matt Bertram - Headmaster

If you wish to have the Newsletter emailed to you please ensure you let Julie Gourdie have your email address. Please contact her at jgourdie@nbhs.school.nz with any alterations to your email as well.

Shakespeare Festival

The University of Otago Sheilah Winn Shakespeare Festival's regional competition will be held at Napier Boys' on 6 April 2017 at 6pm in the hall. Both teacher and student directed performances will vie to represent Hawke's Bay in the national festival in Wellington during Queen's birthday weekend.

If your son is interested in taking part in the Festival, please have him see Mrs Faulkner in A8 asap!

Also, come see all the terrific young talent we have right here at home. Show runs from 6pm sharp to about 8pm. Chosen acts announced on the night.

Tickets \$3/students, \$5 adults at the door.

Kelly Faulkner
UOSWSF Regional Organiser

Supporting success in your school.

If you are a parent, staff member or member of the school community and you draw down a new ASB home loan of \$250,000 or more, ASB will donate to your chosen participating school:

\$500

ASB lending criteria and terms apply. Fees may apply. To be eligible for this donation your new home loan application must be received, approved and then documented in a facility agreement, along with the completion of a school donation voucher, between 1 January 2017 and 30 June 2017. A minimum of 20% equity is required in the security property provided to ASB. This home loan offer is only available on loans secured by an owner-occupied residential property. Only one donation will be given per customer. Donations will be made by ASB on behalf of the customer to the chosen school upon full draw down of the new home loan. This offer excludes loans for business purposes and bridging.

ASB Bank Limited 56380 16785 0117

ASB

Bus Bay/Picking Up Students

The large bus bay by the Observatory is reserved for buses only at all times. It is signposted "No parking at ALL times." This is because we have buses throughout the day with sport teams, trips, etc.

But most importantly, we have 7 buses that come pick up students at the end of the school day. 6 of them must line up in our limited area. If the buses can't fit, they must go out onto the street, which presents a Health and Safety problem for students. Students have to move between vehicles, and having parent cars turning in the bay makes this even more dangerous!

It is recommended that parents park further down the road, preferably facing the direction they need to drive once students are picked up, to avoid unnecessary u-turns during this hectic time. Please do try to avoid using the bus bay for turns when the buses have arrived.

Please DO NOT park in the bus bay, and leave enough clearance at the beginning and end of the bay. The bus driver will honk at you if you have not left enough space, so that you know to move up. It doesn't hurt the boys to walk 50 metres up the road!

Keep in mind that we are just trying to keep the bay safe for all students.

This car hasn't left quite enough room so that all buses can fit in the bay.

The buses need to overlap the sidewalk to fit all 6 in so the boys can get on safely.

Please refrain from driving into the main visitors carpark to pick up/drop-off your son's before or after school, due to traffic congestion. The main carpark is for visitors to the school only.

Book Fair 2017

The public responded in a fantastic way to deliver the students of Napier Boys' High School a healthy windfall profit of \$5000 in the annual book sale in the school hall. Books were again sold at \$1 despite an earlier advertisement that they would sell for at least \$2 per book. The special priced books sold well at \$10 each. The brilliantly clear weather on Sunday which followed almost a week of heavy rain did not stop people from flocking to the indoor sale. Yet again, the Book Fair provided Napier residents, and visitors and dealers from as far away as Whangarei, with a bargain from the biggest book shop in Hawkes Bay (for one day at least!).

Twisted Zips' Ben Cornes: Lost In The Music

Hawke's Bay native Ben Cornes picked up the bass at the tender age of 10 and hasn't looked back since. Over the years, Ben has worked hard on developing and refining his craft. Amongst his various achievements, Ben scored the highest mark in NZ in 2014's Grade 4 Trinity Rock and Pop exam (across all instruments!) and was awarded a \$1000 music scholarship by Napier Boys' High School in 2015.

He's also been a part of several bands including Critical Theory, which drew inspiration from the Red Hot Chili Peppers but had a funkier and groovier vibe, and his current band Twisted Zips, which recently opened for a Rolling Stones cover band at the Cabana in Napier and fits the punk vibe; "It definitely has a heavier feel about it, it gets more people standing."

It's these moments, where he performs on stage, which Ben says are the highlight of it all. "It feels like it's the right place to be. You just want to give the best performance you possibly can, you want to feel like you're getting lost in the music and connecting with your

band mates... I love it, I see music as a way to express feelings and emotions. It's definitely easier than saying words and just talking. When it comes to my music, I want the audience to feel whatever I'm feeling at the time."

From this Town by Critical Theory is a particular onstage favourite of his because "all of the different parts were floating around for a very long time, and it felt good when you managed to fit the pieces of the puzzle together. When it's played, you just remember all the different practices and places that you tried to write it."

Being able to create the music you want with a group of people you vibe with is one of the biggest perks of being in a band, but inevitably, there are hard times that come with it. Ben says, "It can be challenging to all try and be on the same ground or level in terms of the songs we want to play and the direction we want to go in. It's different every time, [but] as long as everybody knows how you feel, you eventually just talk it out. Sometimes you come up with a plan. For example, everyone

can pick one song each, so everyone's happy. Whereas, sometimes, you just let it happen."

Playing with a band live can also be nerve-wracking. It can get into your head and make you wonder, am I going to make a mistake? Am I going to embarrass myself? If I make a mistake, how do I recover? Ben's advice is that you just need to relax and remember that's it's not a big deal – your mistake won't change the order of the song, just get back into it and kill it.

Ben hopes to continue creating music in the future. "Ideally, I'd like to be making a living out of music and with a band that I feel right in, one that was playing original music. I definitely couldn't stick to a particular genre, for example I would stick to rock n' roll, but it could be punk or the funkier and groovier side of things. I don't like to be defined by one thing."

Tearaway Magazine*

Twisted Zips' Ben Cornes: Lost in the Music - Tearaway

From a scholarship at Napier Boys' High to rocking the Cabana with Twisted Zips, prodigy Ben Cornes is proving he has what it takes to be New Zealand's next big act!

TEARAWAY.CO.NZ

Porn Facts

- 30% of all internet traffic is about porn
- About 90% of males over the age of 16 have viewed porn
- The largest group of internet porn users is aged between 12-17
- Attitudes to porn are very influenced by other moral stand viewpoints
- Most parents would be surprised at their son's level of interest in, and access to porn
- Due to the increasing influence of the internet, porn is more accessible than ever before
- Porn affects the pleasure centres in the brain – the same centres that are effected by drugs
- PIED (porn-induced erectile dysfunction) is a disorder which has already affects some of our boys

Suicide Facts

- Most who contemplate suicide and seek help get it
- Suicide is the SECOND leading cause of death for ages 10-24
- Sometimes there are warning signs only recognisable with hindsight
- There is significant grief for those who remain after a completed suicide
- Raising the suicide topic is NOT going to encourage anyone to attempt suicide
- The whakatoki – a problem shared is a problem halved – most often seems true
- Most who attempt suicide and survive are pleased they survived in years to come
- More teenagers and young adults die from suicide than all the following COMBINED

cancer	heart disease	aids
stroke	birth defects	pneumonia
influenza		chronic lung disease

Is either porn or suicide something you need, or a mate needs, to talk about?
If you, or they, cannot have that discussion with anyone else, one of us might be able to help - make contact if you need to.

R Silver - Counsellor

Whats Due

Listed below are the Internal Assessments that are due for NCEA during the last few weeks of Term 1. Please take the time to sit down with your son and look at what assessments he has and when they are due. This will allow staff and parents to work together to make sure the students complete these assessments on time and to the best of their ability.

Year 11 Term 1 Week 8 starts Mon 20th March

SUBJECT – eg: 11 Wood	ACHIEVEMENT STANDARD – Number and short name	Classes – All or Individual teachers	Due date – eg: Week 3
11 Home Economics	A/S 90959 – Demonstrate knowledge of practices & strategies to address food poisoning	Ly & Ds	Wk 8 & 9
10/11 Geography	A/S 1.8 Geographic Information Systems (GIS)	BR BU TK	Week 10

WINTER SCHOOL UNIFORM

Students must be in winter uniform on the first day of term two – 1 May 2017.

Winter uniform can only be purchased from the school uniform shop.

TUESDAY 3 - 4.30PM
THURSDAY 1.10 – 2.10PM

To assist with changeover sales the shop will also be open Friday 28 April
(being the last day of the school holidays).

Secondhand uniform items can be sold on behalf less 20% commission which goes to the Parents League. The items must be washed, mended, current and in excellent condition to be sold through our second hand shop. Leave at the school office with your name, phone number and address. We want our students looking as neat as they can. Please contact Norma Bellamy on 833 5900 extn 204 or email uniforms@nbhs.school.nz if you have any queries.

PLEASE NAME ALL UNIFORM

If your son loses any uniform that is not named there is no way we can identify it.

The Microsoft Office Specialist World Championship presented by Certiport, Inc. is a global competition that tests students' skills on Microsoft Office Word, Excel® and PowerPoint® (2013 or 2016). Top students are invited to represent their respective countries at the World Championship.

Get certified to compete! When you take a Microsoft Office Specialist exam in Word, Excel, or PowerPoint (2013 or 2016), you'll be automatically entered into the MOS Championship. By taking an exam you'll be entered into the MOS World Championship and you could be chosen to represent New Zealand! Talk to any IT Teacher for more information. The competition is open to all students!

Relay For Life 2017

Napier Boys' entered a 40 strong team in this year's Relay for Life to raise funds for the Hawkes Bay Cancer Society, a 12 hour relay event that encourages team work and participation. This year we had a fundraising goal of \$2500 and so far we are ahead of this target and have reached almost \$3500 with donations still gratefully accepted.

Online donations can be made here: <http://www.relayforlife.org.nz> search Napier Boys' and donate to team.

Team chaperones were especially impressed by the teamwork of the boys, their fundraising efforts, community spirit and Zumba dancing! The boys did a total of 385 laps around the sports park, each student running a 400m plus lap and continuously handing over the baton for 12 hours. Energy remained high until the end, we were very proud of the students, their positive attitude and commitment to this fantastic cause.

School Athletics Sports

House against House, student against student, over 500 starters in the 100m races and huge fields in the Shot and Discus this is the Napier Boys' High School Athletics Sports. In the under 14 grade three students were in contention for the championships. Raymond O'Roake won the 400, 800 and placed third in the 1500 this gave him 11 points and 3rd place overall. Baylee Foote won the 200 and long jump and placed 2nd in the 100 this gave him 13 points. Hugo Lynch won the 1500 and 3000 and placed second in the 800 to also earn 13 points, so Hugo and Baylee shared the Junior Athletics Champion title.

In the Under 16 grade Declan Renall placed third with a win in the Javelin and second in the Discus. The real race was between the sprinter Toby Archer and the middle distance man Oliver Marshall. Oliver won the 800, 1500 and 3000m for a total of 15 points but that was not enough to beat Toby who won the 100, 200, 400 and Triple Jump to win the Intermediate championship.

In the senior grade 3rd went to Jacob Barber with second places in the 800, 1500 and 3000m. Then once again it was the sprinter versus the middle distance man for the title. Ben Lewis won the 100,200, Long Jump and placed third in the Triple Jump. Bradley Christison won the 800, 1500, 3000 and placed 3rd in the 400m so like the Junior grade the Senior Boys Athletics title was shared between Ben and Bradley.

There was only one record set on the day. Bradley Christison broke the Senior Boys 3000m record. The previous record was 9:06 set by Christian Leopard. Christian in that year represented New Zealand at Cross Country in races against Australia. Bradley ran 8 seconds faster to record a time of 8:58. So a great start to Bradley's final year at school where he also hopes to make the New Zealand Cross Country team.

Overall House Results

Clyde 2437

Hawke 1620

Napier 2432

Scinde 2944

Year 9 and 10 Athletics Competition

This event had the biggest turnout of schools in years. We still managed to win all but one event easily. Napier boys won all three relay events

4 x100 - Archie Hargraves, Tim Le Cheminant-Reid, Reif Mayo and Tremayn Anaru Beattie

4x400 - Oliver Marshall, Max Taylor, Matthew Sexton and Hugo Lynch
4x800 - Oliver Marshall, Max Taylor,

Matthew Sexton and Hugo Lynch

The 4 x800 team won by 400metres lapping all of the teams in a very convincing win that shows the schools' strength in the middle distance events.

In the team field events we won the Discus (Chaz Heke, William Carter and Rakai Henare)and Long Jump (Lochlan Collins, Jack Bewley and Reif Mayo).

Health Nurse

As part of our continuing efforts to contribute to as many aspects of our boys' wider education as possible, the school's health nurse, Kate Davis is speaking to all Year 10 boys during term 3. She will particularly focus on the personal and interpersonal relationships boys have from emotional and physical perspectives and related moral issues.

These sessions will be as sensitive as possible to the needs of all boys and it is hoped that each will receive positive support in this area.

Please let me know if you have any questions or comments.

Art Deco Canoe Polo Competition

On the 10th March 2017 the annual Art Deco canoe polo competition was hosted at Pandora pond, Napier. There was a massive number of teams entered, totaling 52 teams from across the North Island. This tournament was also the final tournament for the New Zealand men's canoe polo teams to be announced. This shows how tough the competition was over the two days.

Napier Boy's High School had three teams entered in this competition: Senior A team, Senior B team and Junior A team. All three teams performed well in their respective grades with the Senior A team finishing 5th from 16 teams and only losing a single game; meanwhile the Senior B finished 12th from 16 teams and Junior A finished 7th from 12

teams. Special mention to the top goal scorers who were Josh Carmine from Senior A scoring 15 goals from 8 games, Oliver Kyle from Senior B scoring 6 goals from 8 games and Samuel Halford from Junior A scoring 12 goals from 8 games.

Also congratulations to those boys who made Hawke's Bay representative teams. These boys are Leo Watson C2, Oliver Kyle C1, Brayden Mattson C1, Josh Carmine B2, Thomas McDermott B2 and Ben Edwards B2. Also I would like to thank our coach Kelly Hepburn, who also organized this massive competition, and the parents for supporting us over the weekend.

Josh Carmine
