WE REQUIRE INTERNATIONAL STUDENT HOST FAMILIES

With an increasing number of international students we require host families. Hosting an international student is a fantastic opportunity to learn more about other cultures and forge life-long relationships between families. We have students from Germany, Japan, Thailand & China. We require families for Term 2 for a 14 year old student coming from Germany he is a talented hockey player and a German student with interest in Motocross. To join our highly valued team of host families or you would like more information regarding the expectations and requirements please contact:
