## From The Headmaster's Office

The past three weeks have seen us run the Cornford Cup road race which sees the whole school run, compete in Hawke's Bay's Science Fair (winning the senior quiz most notably), sent our students on a junior exchange to Gisborne, host the Otaki Scholar, win a considerable number of regional badminton singles and doubles titles, enjoy the cuisine of our senior hospitality students' café assessment and run a successful Open Evening. There is rarely a quiet day at NBHS! This week many of our top sports teams are competing in their national tournaments and we look forward to the results in due course. This week also marks the start of three weeks of academic focus for the school with interruptions to a minimum. With that in mind:

Year 11 Study skills – this program has been run for the fourth year in a row with particular emphasis on providing

the young men new to NCEA external exams the tools and content they need to focus their revision on. Each week they should have a focus area in their subjects to revise.

**The following resource is common-sense advice and worth using again:**

**Matt Bertram  
Headmaster**

## 1. Eliminate distractions

Get rid of anything that distracts you and allows you to procrastinate from your work. While you are studying or writing, turn off your phone's ringtones and vibrations and put it in a drawer where you won't be tempted to answer calls and messages. Allow yourself to check your phone only once per hour. Get off Facebook, Messenger, YouTube and other distractions. Save them for when you are relaxing.

## 2. Be focused at the task at hand

Have you ever been so focused and devoted to what you are doing that time seems to have flown by? This mental state is called 'flow' – when you are completely immersed and involved in an activity. Flow actually makes you feel energized and motivated and increases enjoyment of the activity (not to mention being super-productive). To achieve flow, find a challenge, develop your skills, eliminate distractions, set aside enough time, set clear goals and focus completely on the task at hand.

## 3. Use a calendar

A calendar is a great way to plan your day. It'll be an easier way to schedule your appointments and remember your obligations. It can also help you to study in blocks and devote time to different subjects. Set up a calendar on your phone or computer and ensure you stick to it. Factor in extra time in case an activity takes longer than expected.

## 4. Use a checklist

A checklist is a great way to ensure you stay on task, by listing your tasks and checking them off one by one once completed. It also gives you a sense of accomplishment to tick off tasks when completed.

## 5. Get organised

Once you have your calendar and checklist set up, you should be well on your way to being better organised. Being organised will save you a lot of time and allow you to allocate and manage your time better. Set up simple systems, such as document filing.

## 6. Schedule rewards

You need to treat yourself when you do the right thing. Take a few minutes out of every hour to take a break and do something you enjoy, like go for a walk or watch some TV. The break will also allow your brain to relax and be more productive when you return. However, whatever you do, make sure you don't overindulge until you have completed your tasks.

## 7. Get a good night's sleep

A good night's sleep is essential to make sure your body and mind is rested and fresh for the next day. It can be hard to concentrate if you didn't get 7 to 8 hours of sleep in the night before. Pulling an all-nighter studying is less productive than consistent study. Manage your time better by including sleep in the schedule.

## Napier Boys' High School Parent League

You are invited to be part of this league to support the school at events as part of our wider community

- THIS IS NOT A FUNDRAISING COMMITTEE
- It is an opportunity for parents and caregivers to meet, creating a wider NBHS community.
- The Parent League can assist with organising functions, eg evenings with a guest speaker. All ideas welcome.
- It is not an onerous commitment. Those involved can contribute as much or as little as they wish.

## WINTER UNIFORM

Students are expected to come to school in correct winter uniform during Terms 2 and 3

## Uniforms

### GET READY FOR TERM 4 SUMMER UNIFORM

Thank you to parents who ensure their son(s) come to school every day in the correct school uniform.

The long sleeve polo must be worn through to the end of term 3. On the FIRST DAY of term 4 boys need to be wearing summer polos. Please check your son/s' summer supply of uniform now so that if it no longer fits, or he has lost items of clothing, you can buy them before term 3 finishes.

**SENIOR POLO – SUMMER TOPS ONLY**  
Students who are in year 12 or 13 are permitted to wear a Senior Polo shirt.

A reminder that uniform can be paid for in advance at the school office during opening hours (or via internet banking) so parents do not need to send boys with cash – it is not necessary for parents to be present at

the uniform shop as our staff will outfit students.

**PLEASE NAME all school uniform (and bags etc). Lost property is returned to students by office staff when a name can be read.**

### UNIFORM SHOP HOURS:

TUESDAY:  
AFTER SCHOOL 3 – 4.30 pm

THURSDAY:  
LUNCHTIME 1.10 – 2.10 pm

Both new and second hand shops are open at this time only.

### HIRE UNIFORM

If your son has hired uniform for the rugby, football or basketball season these need to be returned once their season has finished. Please arrange to dry clean any dirty blazers and wash and press the grey trousers. If uniform is not returned you will be charged full replacement cost.

Next year no grey trousers will be available for hire. If your son is in one of our A Grade or top grade sporting teams they will need to buy grey trousers for 2020.

## All Shook Up School Production

This year's combined school production with NGHS was All Shook Up. The show proved to be a hit with the audiences, even getting a standing ovation on opening night. The cast and band started rehearsals at the beginning of term 2, working hard to prepare for the performance. For many, this is the first time they have been involved in a production, and it was wonderful to see how much they enjoyed it. The majority of the backstage crew were also students, who were able to learn a lot from this experience. The production could not go ahead without the support of several staff, too many to mention here. Their assistance is greatly appreciated.

## Senior A Basketball Super 8 Winners

The team has started 2019 where it left off from last year. Term 3 started with a convincing win vs PNBHS during the Polson exchange then soon after, the Sky-Blue brothers secured their second Super 8 title in four years! A redemption win over RBHS who was ranked as the top team in the country by many as the tourney began. Finally, the local competition championship was secured after a dominating season. The team is led by captain Kobe Kara with support from Super 8 tourney MVP Clifton Bush III and sharp-shooter Jacob Murphy. The Premiership tourney is just around the corner and the boys are working hard to defend their 2018 Premier title and head to Nationals on a roll.

This year's HBSS Badminton Championships were held at Pettigrew Green Arena. Napier Boys' had 12 doubles pairings competing across the four grades in the Doubles Championship held on Thursday 22 August. Our players performed strongly, winning the A, C and D Grade Doubles titles, and earning the runner-up spot in B Grade.

*Congratulations to the finalists listed below.*

## HBSS Doubles Championship Results

### A Grade Boys

1. William Hollis + Karl Cappie (NBHS)
2. Jacob Young + William Chang (Taradale HS)

### B Grade Boys

1. Ben Plesner + Arran Wells (Taradale HS)
2. Ivan Wu + Caleb Lampitt (NBHS)

### C Grade Boys

1. Logan Willis + Jayden Cairns (NBHS)
2. Charlie Yuan + Kevin Lu (Lindisfarne)

### D Grade Boys

1. Charlie Wyllie + Will Slattery (NBHS)
2. William Lomas + Iden Van Pelt (Taradale HS).

NBHS had 19 individual players entered in the Singles Championship held on Monday 26 August. Again, our players performed strongly, gaining the runner-up spot in A Grade, and winning the top two spots in both B and D Grade singles. Finalists were:

# Pounamu Workshop Day

## Carving and fashioning stories of love!

Recently, a small group of Māori Studies students spent a day in our school workshop with Matua Pōhātu, Matua Aaron, and his friend fashioning and learning how to carve pounamu. In addition, they have been studying the traditional story of pounamu in class since.

The story speaks of Poutini the taniwhā coming across a woman bathing in the northern seas of the Bay Of Plenty. Her name is Waitaiki. It is said that she enchanted the taniwhā, who ended up kidnapping her and fled south. Waitaiki's husband, the chief Tama-āhua, discovered she was missing, and aided by a tekateka he tracked them south. During Poutini's flight the taniwhā lit fires to keep Waitaiki warm. Amidst the charred remains of each fire, Tama-āhua found precious stone. The continued pursuit of his love was determined and unrelenting. Fearing the strength of his pursuer the taniwhā took sanctuary on the West Coast of the South Island, eventually stopping in Milford Sound. Realising that Tama-āhua would not rest until he reclaimed Waitaiki, Poutini decided the only way to keep her forever was to turn the woman into his essence. The taniwhā transformed Waitaiki into pounamu, laid her in down within the riverbeds of the Arahura River and slipped downstream past the waiting Tama-āhua.

## Barbershop

It's been a busy time for our singers as our choir and quartet sent video entries into the National Young

Singers in Harmony competition. It was exciting when the news that our quartet Dischord qualified to enter the national competition in Christchurch.

Their name is Dischord and they are anything but discordant. Mark Cornes (Tenor) Jackson Stone (Lead) Wilfred Landon (Baritone) and Fergus Cardwell Dray (Bass) were ringing chords in the finest Barbershop tradition. The photo is of their performance at the recent schools night for the Hawkes Bay Jazz Club.

This year's contest takes place on the 1th and 12th of September at the Royal Isaacs Theatre in the Christchurch CBD.

We wish them all the best as they are the only group from Hawkes Bay attending this competition.

# Duke of Edinburgh's International Awards

It has been great to see 4 of our NBHS students complete and receive their Bronze Duke of Edinburgh Awards recently. They have now completed the first level of the 3 levels available, and are ready to move forward to the Silver Award Level.

Alex Rathbone

(L-R) Euan Argent, Alex Manning & Guy Van Raders

Over the weekend of 10/11 August, OTNZ instructors Heather Grady and John Matthews assisted our students to successfully complete their Duke of Ed outdoor Training, or an Adventurous Journey component of their Awards. They set up camp adjacent to the Ngaruroro River where the students first learnt the theory pertaining to their Award level, and then put this into practice. In addition, and on the Saturday night, we roasted and ate marshmallows too! Congratulations on having completed this section of your Awards – you are now ready to move onto the next section.

[Claire.connor@xtra.co.nz](mailto:Claire.connor@xtra.co.nz)

Looking for something exciting to kick start the next school holidays? Bring the whole family along to Hawke's Bay's only board game convention! There will be a huge library of games to choose from and an army of volunteers to teach the games if you need help. We also have beginner Dungeons and Dragons sessions, specific learn to play games, a mini escape room experience, and heaps of cool spot prizes! All you need to do is turn up.

Best of all—it's incredibly cheap family entertainment. Adult entry is \$10 for the entire day (stay as little or as long as you like, come and go as you please) or only \$15 for the whole weekend! Children 13 years and under are free as long as accompanied by an adult.

**When?** Saturday 28th September and Sunday 29th September

**Where?** Taradale Intermediate School hall

## Pasifika @ NBHS

Last week our very own NBHS Pasifika Group performed to the school in preparation for their up and coming performance at the Hawkes Bay Regional Competition at the end of the term. Caleb Fatialofa, family members and friends have supported this group in their efforts and endeavours to be more confident performers within themselves, often composing their own items and their uniform.

Every week our NBHS Pasifika Group have been practicing and focusing on a larger goal of becoming more sustainable and independent. We look forward to their next steps, and that competitive edge our boys have on and off the stage! Watch this space!

## Cornford Cup

It was billed as the race of the decade. Could the Year 9's Sean Grenside and Charlie Nash race off the front fast enough, to stay ahead of Gene Court and Timothy Le Cheminant-Reid, coming off the Year 11 start line 300metres behind them?

Could all four off them stay ahead of

Reid Livingston

the Silver medallists from the New Zealand 3-man team Road Race – Oliver Marshall and Reid Livingston coming off the Year 12 start another 100 metres back?

Sean gave it his all, no one caught him until Kenny Road and then it was Oliver and Reid who stormed past him. Reid the New Zealand Cross Country team member who was leaving for Sydney in two days to compete in the Australian Cross-Country champs, and

Oliver Marshall and Gene Court

Oliver coming back from injury who Reid had never beaten until April this year.

Coming down Chambers Street Reid had proven his superior fitness and opened up a lead on Oliver. Timothy and Gene were still behind Sean who had run a brave race. In through the gates by the hall and Reid was a clear winner with Oliver closing the gap finishing second, Gene and Timothy had caught Sean and were 3rd and 4th. Sean was the first Year 9 home in 5th place.

House points were hotly contested with Scinde fighting back from a loss in the Athletics Sports to take the win from Napier House in second.

Sean Grenside

## East Coast North Island Road Race

The ECNI Road race was held on the paths in and around Frimley Park. The first race to go were the Year 9 boys. Our boys got off to a slow start as some of the less experienced runners took off forgetting the race was over 3000m not 1 kilometre. As the race progressed our boys moved through the field. Charlie Nash ran a well-judged race to finish 2nd with Sean Grenside 6th and Riley Kleinhert 7th. These three easily took out the 3-man team title.

In the senior race Oliver Marshall placed 2nd with Gene Court running his best race of the season (as only a Year 11) in placing 4th and Matthew Apperley 6th. Once again easily taking out the 3-man team event.

# Napier Boys' High School Young Farmers win National Grand Final.

Matt Halford and Finn Beamish were named the Junior Young Farmer of the Year at the National Grand Final held in Hawke's Bay in July. It was the first time NBHS students have won the competition, but what was unprecedented was that Guy von Dadelszen and Macabe King were placed second, giving 1st and 2nd in the country to NBHS.

The competition was held over 2 days on the 4th and 5th July. Teams from all around the country converged on Napier to participate in a range of practical and technical challenges that included a speech, 1-hour exam, practical skills, irrigation set up as well as many other challenges throughout the day.

The weather was freezing, and all teams had to cope with southerly gales and horizontal rain showers throughout both days. It made for very challenging times, but the boys handled it extremely well.

The evening prizegiving also had the final round: the top 5 teams had to face off in a 4-round quiz in front of a crowd of over 500 people. Once all the points had been tallied, Matt and Finn were judged 1st, with Guy and Macabe a close 2nd.

As always, the boys couldn't compete without all the help and support from many people and businesses. They support our club and their members, and it is gratefully received. These are: Irrigation Services, Farmlands Waipukurau, Matt O'Kane from Waterright, Rural Directions, Ravensdown, Norwoods, FMG, Vet Services, plus all the wonderful parent help from the Halfords, Kings, Beamishs and von Dadelszens. Special mention to Nick and Keri Lourie for the use of their property for the boys to base themselves from during the finals which made a huge difference. There are many other supporters of our club and we are extremely grateful for your support of our club.

## Origami Lesson

International student, Guku Fujita, from Tokyo, Japan, gave lessons to each of the Japanese language classes during his short stay at Napier Boys' High School this term. On exchange from the prestigious Ikubunkan High School near the Imperial Palace in Tokyo, Gaku's mission here was not only to improve his English, but also to assist New Zealanders in understanding Japanese culture.

One task, set by his teachers in Tokyo, was to teach a class in origami. Gaku got in touch with Creative Arts Napier, found a local firm to sponsor the cost of the booking at the CAN centre, and taught origami on Sunday morning to the general public. There were 50 bookings, but he had to keep

the class to a maximum of 23. In this photo he is teaching a Year 10 class to make a dragon, origami style. Gaku plans eventually to study Computer Engineering in California.
