## From The Headmaster's Office

With the senior students now on examination leave (and many already finished these commitments), we can reflect on the special events which traditionally complete a school year. There was the celebration of Māori achievement at the MANA event in late October with a number of new awards made. The signature tohu went to: Heath Awatere-Madden, Clifton Bush III, Clive Hook-Pomare, Nathan Chappell, Leo Watson and Kauri Broughton. Our top sportsmen were recognised at the Hawke's Bay Secondary School awards with six winning their categories (Daniel Rowe, Tennis; Charlie Tattersfield, Cycling; Guy Harrison, Parasport; Clifton Bush III, Basketball; Reid Livingston, Athletics and Luis Toomey, Football).

The Senior prizegiving, now in its second year, was a fantastic celebration of our young men by their peers. A wide range of students came across stage to receive awards and it

was wonderful to see so many parents able to attend. It is fast developing its own unique flavour with the spontaneous recognition of the Head Prefect by the students something special to witness. You will see a full prize list later in the newsletter. Congratulations to all the recipients of awards! The closely fought race for the supreme award of the evening went to Mihnea Vlad who became the Dux with Jacob Hay the Proxime Accesit. In a rare double, he also achieved the Ashcroft Cup for all-round excellence. The Dux Musarum (culture) went to a year 12, Fergus Cardwell-Dray, while the Dux Ludorum (all-round sport) to Brayden Hill.

We have looked to further improve how the school communicates to the wider community, launching Instagram and Twitter pages to support Facebook. You should see more regular good news stories coming through these social media

platforms. The School app remains a key platform for urgent alerts and notices. More information follows in the newsletter.

The Strategic planning hui was held over a week ago and some strong themes emerged from the consultation evening. These have now been refined and will go out for further feedback to all stakeholders in the next week.

Several staff will finish with us at the end of year. Ms. Trish Linley, the Head of Food and Nutrition, has decided to retire after nine years; Mr. Bishop Edwards who has taught Maths for over ten years and been actively involved in basketball and with the Pasifika students, has gained a promotion as Head of Department at Sacred Heart. Our acting Head of Food and Nutrition, Mrs. Catherine Treleaven will also take on a new role at Iona next year. Mr. Shaun Glasier, who stepped into Maths in term 3, will also finish with us at the end of the year, while Ms. Karen Chapman finishes her part-time role as well. We also farewell our Cultural Coordinator for the past two years, Mrs. Karoline Roberts, who moves to Timaru closer

to family. Mrs. Amanda Demanser, hospitality, will take a year's maternity leave as she expects her second child in the new year. We wish all these staff the very best.

Currently appointed replacements are:

- Mr. Chris Swain (an old boy) - Maths
- Ms. Deidre Whaanga - English and Social Studies
- Ms. Ashleigh Fincham - Food Technology and Hospitality

The roll for the school 2020 will be approximately 1160 students, with about 260 year 9's starting with us on Tuesday 28 January. We look forward to welcoming them formally with other new students and staff at a powhiri on that day.

This Irish blessing is a fitting way to farewell those young men and staff who leave us for the final time:

*May the road rise up to meet you.  
May the wind always be at your back.  
May the sun shine warm upon your face,  
and rains fall soft upon your fields.  
And until we meet again,  
May God hold you in the palm of His hand.*

**Matt Bertram**  
**Headmaster**

For those of you in our community who are moving on with your sons at the end of the year, thank you for your support of the school. We hope you can remain connected in some way in the years to come.

# Senior A basketball

The Senior A basketball team continued their great year with a top 6 finish in the 2019 Schick National championships.

This was the school's second-best finish, only behind the 1992 championship winning team. The team had dominant wins in the first 4 games before losing to the eventual champions St Kent's. A revenge win versus St Pat's secured a top 8 spot. After a tough loss to the other tournament finalist, an impressive win vs Tauranga College secured the top 6 finish. The senior players were honoured in a tough loss to Mount Albert Grammar to end as the 6th best team in the country.

The major highlights of the tournament were the huge recognition the team received from the other top schools, the skill shown from all 12 players with considerable playing time and Clifton Bush III being named in the all-tournament team. This was a huge accomplishment considering Clifton was the only player of the ten selected to not be on a semi-finalist team.

Lastly, we had a very successful night at the Hawkes Bay Basketball Prize giving. The team won Senior Team of the Year while Toby Kendon and Clifton Bush III won MVP awards for their regional play. Kobe Kara won Most Improved player for his regional play. To continue with an already impressive year, Clifton Bush III came

away with the award for Senior Male Player of the Year. These regional awards were great acknowledgments from the entire Hawkes Bay community and means so much to the team.

All-in-all, this was a great year for the entire squad. The team showed extreme talent throughout the year and finished strong on the national stage. A huge thanks to the departing seniors and the future looks bright as the majority of the team are set to return for 2020.

Let's GOOOOOOO!!!!

NAPIER  
BOYS'  
SENIOR A

## NBHS Pasifika

The group took part in the Hawkes Bay Pasifika Festival held at HGHS.

With the leadership of prefect, Caleb Fatialofa-Sapati, the boys delivered an energetic and passionate performance.

For the first time in recent history, the group decided to perform separate of Napier Girls' High. This was a very risky call, but the members were well organized in arranging practices and devised a truly unique piece.

The performance delivered flair and personality that was as unique as its members. The boys were the talk of the event as many spectators commented on how lively, passionate yet well-presented the performance was delivered.

The group has continued in the HBDHB led initiatives to raise awareness of many issues facing the Pacific community. The students have provided their voice on ways they may be better supported as they progress through high school and prepare for tertiary pathways.

# Term 4 Summer Uniform

## PLASTIC BAG FREE

Due to the ban on single use plastic bags our uniform shop is no longer providing bags - we suggest you bring a carry bag to take away your purchases.

## JANUARY HOLIDAY OPENING HOURS 2020

Both uniform shops are open Tuesday 21 – Monday 27 January (week days only) 10am – 3.30pm to enable parents of our new year 9 students to collect uniform. It is suggested that existing students should avoid the first day (and the queues) and come later in the week for any back to school requirements.

A reminder that uniform can be paid for in advance at the school office during opening hours (or via internet banking) so parents do not need to be concerned about sending boys to school with cash – it is not necessary for parents to be present at the uniform shop as our staff will outfit student.

PLEASE NAME all school uniform (and bags/towels etc). Lost property is returned to students by office staff when a name can be read.

## International Student Host Families Required

With an increasing number of international students, we have a shortage of good homestay families.

We have students arriving from Germany, France, Thailand, China, Hong Kong, Japan, Vietnam, Brazil, Austria and Spain. Our international students stay between two weeks and one year. Some students choose Napier Boys' and our region to get an active and outdoor experience. Others come to graduate and move onto higher studies in New Zealand or abroad.

We seek hosts who will provide an international student with a warm, welcoming and safe environment. Hosting an international student is an opportunity for your family to establish life-long connections, learn about another culture and be an ambassador for New Zealand and the school. This is an exciting opportunity to offer a kiwi-life experience from your home. Hosts are generously remunerated.

Please contact our International Department to have a friendly chat about what is expected of a host and the range of boys coming through.

## Wet Weather

If the weather is really wet, we sometimes have a shortened lunchtime, which means school will finish at the earlier time of 2.50pm, buses still run at the normal time.

There will be an alert sent out over the NBHS App. If you are uncertain, please ring the school and listen to the school information line.
