

Napier Boys' High School

Striving for personal excellence

SchoolBridge

We are excited to launch SchoolBridge and SchoolPoint to our school community. This includes a web-based version and an app for iOS and Android. The tools available through these applications will improve our ability to communicate to you and for you to access information.

We highly encourage all parents/caregivers to download the app to their phone and/or use the web-based version.

Sign In: For parents to sign in use the **Magic Link**.

To use the Magic Link you must have an email registered with us at school. If you do not have an email registered with us please contact the school with your email address.

1. Click on the link below.
2. Select the Email Magic Link sign-in and enter the email you have registered as your contact email with us.
3. You will receive an email to that address that will contain both a link to sign in or a code that can be entered to sign in. The code needs to be used within 72 hours of receiving it.
4. Once signed in on the app you won't need to sign in again.
5. If using the web-based version if you sign out you will need to resend the Magic Link to re-sign in.

You will also be able to use the "Sibling Switcher" to quickly and easily switch being students, without additional passwords being needed. You can also add students at different schools who also use SchoolBridge.

Note: On the sign-up screen there are 'help' videos, if you are having any trouble signing in.

Web Version: <https://nbhs.bridge.school.nz/>

Android App <https://play.google.com/store/apps/details?id=com.inboxdesign.SchoolBridgeApp>

Apple App: <https://apps.apple.com/us/app/schoolbridge/id1563090571>

Absences

We would like parents/whānau to use the app to report all absences, wherever possible.

It is a very secure way to report an absence, as not only do we see that it comes from the parents/whānau's login, but it will send you confirmation of the report to your email. It also keeps a log of all absences reported by you so you can check at any time which absences have been reported through your device/login.

Direct Links

SchoolBridge will be set up to link to the KAMAR Parent Portal without needing to login again. This is not operational at this point, however it should be available soon.

Napier Boys' High School

Striving for personal excellence

Until this is operational you will need to use your KAMAR username and password to login to the KAMAR parent portal. This has been sent by email.

Calendar

View the school calendar for all upcoming school dates and events.

Notifications

You will receive push notifications from the school related to your son and other schoolwide information.

Parent Teacher Interviews (Conferences)

We will be using the App for SchoolBridge and its partner SchoolPoint (which you access through the SchoolBridge app) to book our teacher interviews.

Permission Slips

We will be using permission slips for certain trips and other forms students and caregivers are required to complete by having them available online on SchoolBridge.
